EVERGREEN

Evergreen's Green Years Are

Evergreen is young. It was only three years ago when it first germinated.

These first years when it is growing, developing, striving to become strong and mature might very well be called the Green Years. Rules are being made, standards are being set, ideas and hopes are coming into realization. The roots of loyalty, co-operation, and honor are grasping firm holds in the minds and hearts of those who work together, play together, and grow together at Evergreen.

We, the staff of the Forester, would like to dedicate this annual to the faculty and the Student Body, without whom it would have been impossible for Evergreen to grow and exist.

HIGH SCHOOL

Growing Years.

Guiding Hands

As another school year comes to a close, I would like to congratulate the students of Evergreen for continuing to build the kinds of traditions which form the foundations of our school.

This second edition of the Forester is the chronicle of another year's events. As you browse through these pages in years to come, it will be the means of renewing old friendships and reliving your pleasant years at Evergreen. The Forester staff is to be congratulated on producing this valuable book.

Best wishes for the future.

Sincerely,
William Beard

Helping us stay healthy and prevent accidents is our school nurse, Mrs. Hogan.

Young people and a young school need guidance to grow. Our leaders and counsellors are concerned and interested with our problems. A little chiding here, and a bit of encouragement there are skillfully given by these remarkable people. They give unselfishly of their time, and more often than not, see the results of their efforts in a changed attitude, the growth of a useful club, or a brilliant scholar.

To the people on these pages we owe our respect and a note of gratitude. For these are the willing hands that help us solve our problems, plan our future, and often shape our lives.

Helps Us Grow

Keeping everything straight and convenient for us in our spacious library is Mrs. Stuber our librarian.

These Are the Workers

Behind the scenes of a typical school day is the system and order which keeps Evergreen running smoothly and efficiently;

The cooks do a fine job of preparing meals which are both economical and appetizing.

Our custodians do a fine job of keeping our school clean and beautiful. We often do not realize how much work goes into this task.

The office workers also do a great deal to keep the school running smoothly. The office is the nerve center of the school and without these workers the school could not operate efficiently.

We owe a note of gratitude to these people who serve us and the school behind the scenes.

Language Arts

Language Arts and Social Studies are very important factors in education. Man has written of his activities and happenings of the world ever since time began.

Each student has two successive classes each day combining literature, English and history. With this method it is possible to present a more interesting program by the use of movies, field trips and speakers.

An understanding of the principles of the English language is necessary to express oneself.

and Social Studies

adequately. Having a knowledge of the world's literature enables the student to better understand the people of all nations and their ideas and customs.

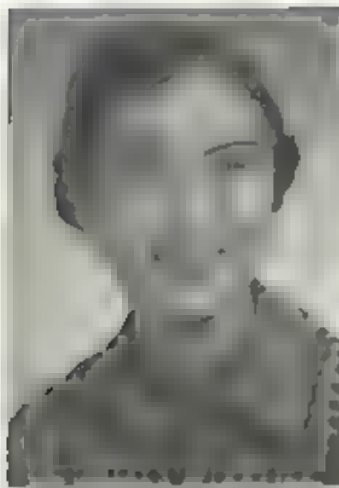

In the Social Studies classes students learn the history of our state, the nation, and the world. This class is important to the understanding of current world events.

These classes help the student learn to become a better citizen for the world of tomorrow.

Kenneth Wagness
Bob Ward

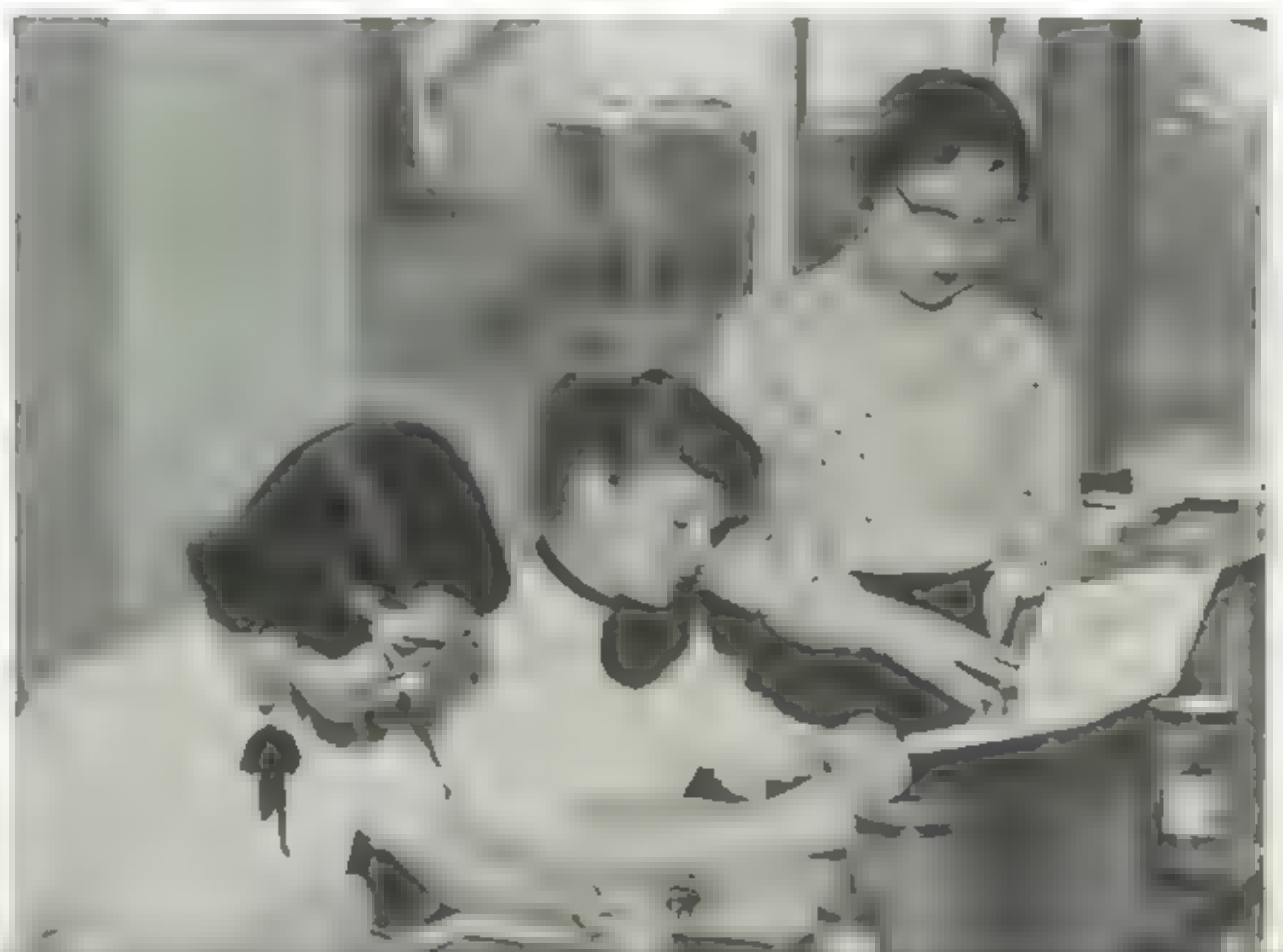

Science of all types is basic to the understanding of our world. Many persons interested in science stems from curiosity, just wanting to know why something is as it is. Having at some time studied some type of science, one usually wishes to go on and to find out more and more. To do this, one must have good teachers who are well qualified in their field and who have an interest in helping students learn. There must also be equipment adequate for the need.

Evergreen is fortunate to have both. We have a competent, experienced staff with a genuine interest in the students enrolled in their classes. We also have modern labs and science rooms with extensive equipment for each course.

There are many students enrolled in the classes of Algebra, Geometry, Advanced Math, Biology, Botany, Zoology and Chemistry. Compasses, rulers, pencils, dissection kits, and test tubes are familiar sights in all of these rooms.

Our math and science classes are helping to prepare the citizens of tomorrow for their chosen careers.

Knowing Our Foreign Neighbors

Maria Smith

The more knowledge we have of the customs and the languages of our foreign neighbors the more interesting they become to us.

Latin is the basis of most other languages and is used widely in medicine. Spanish is a romantic language and is spoken in many countries.

Mrs. Norheim and Mrs. Smith do their best to make these classes interesting.

Virginia Norheim

Carol Sweet points to Italy

Eloise Billings

Leonard Zevenbergen

Mary Gibson

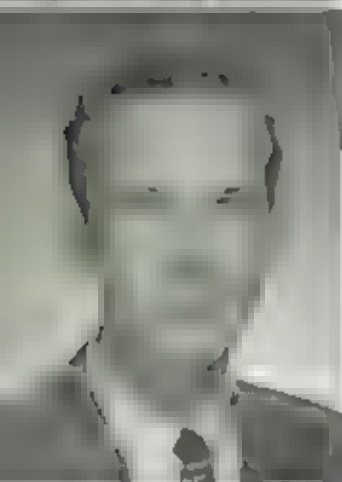

Business Aids Education

Miss Billings, Mrs. Gibson and Mr Zevenbergen head the business staff which includes shorthand, typing, bookkeeping and business law. These are some of our most important courses for girls and boys alike to prepare for almost any vocation they may wish to follow

Students learn to run business machines, correspond in the business world, type business and social letters, and understand the legal angles of business

In the future, those students who plan to enter business will be able to use these to their best advantage

Art Project

TOP TO BOTTOM: F

Developing Creative Talents

In our curriculum, there are several activities which the student is given a chance to display his own creative talents

Wood shop provides a good opportunity for the use of tools and power equipment. These tools can be used at home; such as small table saw, etc. The students can make many practical and beautiful

In the arts and crafts classes, students develop abilities in drawing, painting, sculpting and various hand craft. Working in these areas helps develop imagination and ingenuity

Nina Eng

Our Future Homemakers

Home Economics is one of the most practical courses a girl in high school can include in her subjects

In the sewing classes students learn to make attractive garments and other useful items

In the cooking classes, students learn to prepare meals economically and attractively

Home Economics is actually a creative art which will be very useful to the girls of Evergreen when they leave behind "the green years."

Margaretta Morley A Demonstration in Cooking

Margaretta Morley

We are very fortunate to have music included in our curriculum at Evergreen

Our band, under the direction of Mr. Van Gasken, has played at pep assemblies, games and programs. This group has added a great deal of enjoyment to our programs for all who have attended.

The chorus and orchestra, directed by Mr. Cahill, have also done much to enrich our lives with such programs as the Spring and Winter Concerts.

Music is one of the great traditions of our nation and good music is becoming a tradition at Evergreen

Music Enriches Our Lives

Growing Bodies Need Training

ABOVE: Charles Brigham, Ray Smith

LEFT: Brigham and class discuss basketball

A young body needs exercise and training, just as a mind does. We are fortunate to have a well-rounded physical education program

Basketball, baseball, volley ball, dancing, track, tumbling, football, and soccer are included. Also, health and driver's training are tied in with the course. Students who wish to take advantage of behind-the-wheel training may do so.

Bill Thomas

Our newly elected Student Body officers for 1958 are George Thomas, President; Ted Bottorff and Annette Hamre, Vice Presidents; Corlee Campbell, Secretary; and Pat Morrow, Treasurer. Mr. Dahl is the very capable and willing adviser of this group. It is very important that a good Student Body has capable and efficient officers as its leaders. The officers for 1958 are striving to make the Student Body of Evergreen one of the best known in the state and one that we can be proud of even after our "green years" are past.

Represents Student Body

Self government is one of the great ideals in a democracy. Like our nation, the students of Evergreen enjoy the privileges of self government. Every member of the Associated Student Body is represented in Student Council. The members of Student Council spend a great deal of time working to carry out the wishes of the student body.

Representatives practice and learn about democracy on a small scale, but in an important way to benefit you and the school. The officers of the Student Body for 1957 were Gary Newcombe, President; Rosie Pinto and Bill Thomas, Vice Presidents; Bill Wangler, Secretary; and Jim Basel, Treasurer.

JUNIOR CLASS

The Junior Class has much to look forward to during the next year at Evergreen. The school is building great traditions for the years to follow and the juniors are fortunate to have such a part in making these traditions.

The juniors are looking forward to being Evergreen's first graduating class. They have done a great deal to be proud of this year.

This has truly been a year which will be remembered by the junior class members long after graduation and the "green years" are over.

Sophomore Class Sets Traditions

The sophomore class has been very active since it was established in January. They have set up many committees for the general betterment of Evergreen. The sophomores have adopted a constitution and elected officers to lead their class. The officers were Mike Rany, President; Jack Sather, Vice President; Jan Lapas, Secretary; John LeCompte, Treasurer; and J. B. E. White, Sergeant at Arms. Miss Kurita, Miss Lewan, Mr. Kamla, and Mr. Zvenbergen were the advisors to the sophomore class.

Among the many activities sponsored by the sophomore class this year was a Tote Day and a Tote Dance on Valentine's evening. This was only one of the activities planned and carried out by the class officers and committees.

During the first year of its existence, the class of 1960 has accomplished much in the way of traditions and standards for the sophomores of future years.

Freshman Class Distinctive

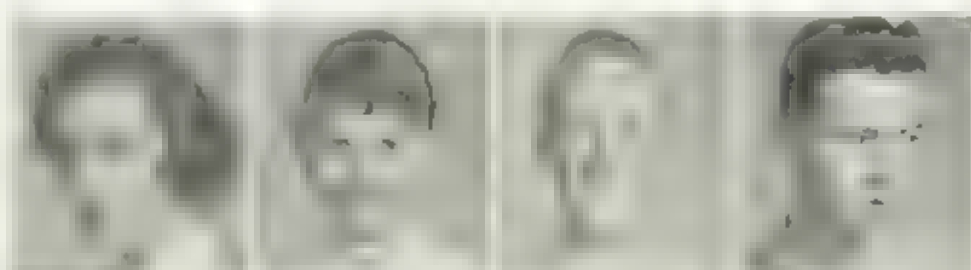

The freshmen of this year had the unique distinction of being members of the first and last freshman class of Evergreen. This is because next year there will be no ninth grade at Evergreen.

Because of this fact, the freshmen did not draw up a constitution. The "Class of 1961" did, however, elect officers, choose advisors and have an Orientation Day. During that day, the freshmen from Puget Sound who will be attending Evergreen next year were introduced to the school and a party was held in their honor.

The officers elected to lead the freshman class showed a great deal of ability in leadership. Tom Fordham was elected President. Marty Wright served as Vice President. Class Secretary was Sandi Matt, June Baker served as Treasurer, and Dan Gordon was elected Sergeant at Arms.

The "Class of '61" also has another distinction in that all of their advisors are new at Evergreen this year. Miss Billings, Mr. Gordon and Mr. Robeck were the advisors.

 Mr. Dorr

The Boys' Club of Evergreen unites all the boys into one club which does a great deal to strengthen the school and aid the individual boy.

This organization provides many interesting activities for the boys through out the school year. Assemblies, dances, food and clothing drives are among the activities sponsored by our Boys' Club.

The high standards and ideals of this club are promoted by the officers under the guidance of Mr. Dorr, the adviser. The officers during 1957 were George Pittenger, President, Dick Sample, Vice President, Ken MacRae, Secretary, and Jerry Osman, Treasurer.

Leading the Boys' Club through 1958 are Jerry Osman, President, Bill Milmore, Vice President; Paul McDonald, Secretary; and Bruce Syrstad, Treasurer.

"Service" Is Our Motto

The Service Club this past year has put forth great efforts to keep the standards of Evergreen high

Serving the school is the goal of this club.

Members were chosen for their citizenship and ability. Throughout the year these boys strive to maintain the principles of their club and school. Under the guidance of Mr. Dorr they have made much progress toward their goal.

From Us—to You—A '58 Forester

From the first month of school right up to the last deadline, the Forester staff has been busy on your copy of the Forester.

The staff was chosen early in the year and since then they have spent a great deal of time in writing copy, identifying pictures and doing all the countless jobs necessary to produce a Forester that you will be proud to own.

There are many steps in the production of just one annual. A great amount of exact planning is the first step and continues to be very important throughout the entire production.

Even though this is our first annual of this type at Evergreen and the first time the staff members have worked on such a large scale production, the Forester of '58 is one of which you will be proud in years to come. It will serve as a means of remembering this year.

Timberlines—Roll the Press

The Timberlines' editing and reporting staff, with the vigilant help of Mrs. Nerheim, strived this year for our first printed paper. They succeeded and went right to work editing and publishing papers that will long be remembered by those here at Evergreen. The Journalism class works along with any other interested students to gather together data on club activities, special events and things pertaining not only to the students of Evergreen, but to the faculty also. If they go on as they have, we can predict big things to come from this hard working group

Office, Clinic Staffs Gain Practical Experience

The girls you see every day collecting attendance, delivering lectures and working in the office, are helping to keep the school running smoothly. The office, are helping to keep the school running smoothly. The office is the nerve center of the school and under the guidance of Mrs. Olsen, Mrs. Nattermas, Mrs. Fitch and Mrs. Ester, these girls work to serve you and Evergreen.

Thirty girls work one period a week in the Clinic, under the supervision of the Nurse, Mrs. Hogan and the faculty advisor, Miss Baldwin. These clinic assistants aid the nurse in helping you stay healthy and prevent accidents. The student body certainly owes a note of gratitude to the nurse and these assistants for the work they do to help you.

Assisting Students and Faculty

The Library Club membership is comprised of student volunteers and students taking Library Science for credit. It is primarily a service organization whose chief objective is to help operate and maintain the library and assist students and faculty in the use of the library and its resources. The benefits to the members are many. The Library Club officers, advised by Mrs. Stuber, are Penny Nail, President; Doris Leggett, Vice-President; Anna Lee Bryant, Secretary and Judy Henderson, Treasurer

In the morning before school and during the three lunch periods, students are able to purchase school supplies at the bookstore. The girls working in here do an excellent job under the guidance of Mrs. Nerheim. The students are indeed grateful to these girls who receive little recognition, but do much to serve the school

Philhellenes Vary Activities

At Evergreen, Latin is not all conjugations, declensions, translations and Caesar. Along with study, the Latin Club provides fun and service to the school and community for Latin students.

The Philhellenes, the name of the club means light of knowledge, is divided into three groups: the Piebeians or first year students, the second year students, Equestrians and the members who have taken two years of Latin, the Patricians.

Under the leadership and guidance of their advisor, Mrs. Nerheim, the Philhellenes have held the annual Latin banquet, sponsored a number of fundraisers and promoted money-raising projects.

The Philhellenes will certainly help many students remember their days in Latin long after the green years.

El Club de Espanol

The Spanish Club is a group organized of students who are now enrolled in Spanish or have already studied Spanish for two years. The purpose of this club is to learn more about the language, culture, and customs of the Latin American people.

Under the guidance of Mrs. Smith, their advisor, the club planned activities on a Spanish theme, including a dance during the Spring

Spanish Club is a very beneficial activity for everyone interested in learning more about our neighbors to the South

Shutters Click-Pictures Taken

The photography class makes up the club, which is a very busy one. They learn all the techniques on taking, developing, printing, and enlarging pictures.

They meet every day and they have an excellent darkroom and equipment with which to work. The club is very ably advised by Mr. Reis.

Among the assignments are pictures to be taken for the school paper, the annual staff, and pictures the students may purchase. Joyce Emery and Herby Tinker are advanced students and help Mr. Reis on the various assignments given to them.

This three act comedy with music was presented by Evergreen May 1 and 2.

The plot concerns a group of teen-age girls whose social life is threatened when "Cousin Lucy Lee" arrives to spend a vacation. This southern belle succeeds in luring away all of the available males

The girls set out to effect some changes in Tom, a "shy-guy" friend of theirs, hoping to attract Lucy away from their "steadies." Their efforts to turn Tom into an over-night sensation produce some unexpected and hilarious results.

The play was ably directed by Miss Jean Bryant with an assist by Mr. Don Fenton on staging and Mrs. Virginia Nerheim on publicity. Mr. Ken Wagness handled ticket sales

Music Provides Enjoyment

Our band has made great strides and is one of which we are proud. They have done a commendable job of organizing and executing. They also put on a Free Pop Concert in March.

The big project of the band this year has been to earn money for uniforms. A check for \$200 from the White Center Lions Club contributed to their goal. Also, in conjunction with the Lions, they had a light bulb sale. The proceeds from this and the Pop Concert went towards their uniforms.

The band and their director, Mr. Van Gasken, richly deserve a salute from the student body.

The Orchestra has done well in providing enjoyable music. It is made up of capable and outstanding musicians. One of these members, Steve Biss, represented Evergreen in the All State Orchestra at Yakima. The Spring Concert which was held in May was a real tribute to the orchestra and to Mr. Cahill, their director. The orchestra entered the Southern Puget Sound Area Contest held in Auburn March 29. The contest was to determine the ability of each orchestra in presenting their arrangement.

Choir Brings Enjoyment

The Evergreen choir, under the direction of Mr. Cahill, has given many excellent performances throughout the year.

The Christmas Concert, the "Pops" Concert, and the Spring Concert were only a few of the fine musical presentations.

Five members of the group: Sylvia McCall, Nancy Welfringer, Betty Ruud, Jim O'Grady, and Larry Slinker participated in the Puget Sound District festival choir on February 15. The ninth grade girls entered the Highline Junior High District choir on March 21.

This fine group is looking toward a bright future in the years to come.

BACK ROW, Left to Right: Roberta Shockley, Virginia Straubach, Shilah Coonts, Judy Suplee. FRONT ROW: Advisor, Mr. Gordon, Priscilla Smotherman, Mary Ann Acheson, Barbara Hagerman, Betty Hagerman

Tick-ettes and Radio Club

The Tick-ettes is a group of girls organized to do the necessary selling and collecting of tickets at the home games during the football and basketball seasons. These girls give willingly of their time to serve you and the school in this way. The advisors for this group are Mr. Gordon, Mr. Wagness, and Mr. Zevenberger. Mary Ann Acheson serves as President and Betty Hagerman as Secretary-Treasurer.

A new club this year is the Evergreen-Cascade Radio Club. Evergreen and Cascade members meet in the Cascade Junior High, where students are able to obtain a basic working knowledge of radios and electronics. Their call numbers are W7WHEP. The officers of the club are: President, Bob Rudolph; Vice-President, Bill McGowan, and Secretary-Treasurer, Eileen Knapp.

BACK, Left to Right: Bill McGowan, Jim Horn. FRONT: Nancy Price, Bob Rudolph, Dan Gordon

Panorama: They Love the Outdoors

Panorama Club is a club interested in sports of all kinds and is made available to all students. A first attempt to establish this organization was made last year, but with limited knowledge concerning what we were required to do. This year we are going ahead full speed, with Mrs. Duncan, Miss Skewis, Mrs. Six, Mr. Reis, and Miss Baldwin acting as the advisors to the club. Panorama is sponsored by the Highline Recreation Council and the Evergreen P.T.A.

Club members look forward to group activities

as hiking, swimming, horseback riding, skating, sailing, and SKIING! Membership is received after payment of membership dues and each member receives a Panorama emblem, which is used throughout the district.

Picnic suppers, films, guest speakers, displays, and other attractions hold the intense interest of the members at the meetings. We always welcome new members to our club and hope to see many more next year.

mon, C. Kiska, K. Bizzia, G. Orler, P. Chisholm, T. Butler, B. Milmore, M. O'Connell, D. McKay, L. Walker.

Sportsmen, All

The Sportsmen Club is made up of those boys interested in hunting and fishing. They learn the basic techniques of tying flies, proper gun care and obeying the laws of these sports. The club looks for many places to engage in these sports. Under the advisorship of Mr. Johnston the boys got in plenty of fishing and hunting during the year.

BACK ROW, Left to Right: J. Lind, M. Sinker, S. Christy, M. King, A. Dines, B. Knack, P. Benzel. MIDDLE: Miss Nightengale, R. Pinto, D. Johanson, M. Toskey, M. Perdue, S. Weglin, G. Fenton, P. Smotherman. FRONT: D. Schlitig, C. Krogstadt, S. Bellevue, R. Shockley, P. Morrow, N. Price, A. Robinson.

Students Learn to Guide Others

The Future Teachers of America is a national organization whose purpose is to unite students who are interested in teaching. The L. D. Baker Chapter, named in honor of a former superintendent, was organized. Field trips and service projects were some of the activities. The FTA advisors are: President, Roberta Shockley; Vice-President, Pat Morrow; Secretary, Carmen Krogstadt; Treasurer, Nancy Price; and Librarian, Sue Bellevue. Sometime in the future when

the green years are past, students will look back and remembered the first chapter of FTA.

Camp Waskowitz, near North Bend, was the scene of many never-to-be-forgotten experiences. The Outdoor Education program enabled teachers, student leaders, and youngsters to have a valuable lesson in conservation and living and working as a group.

Foreign Aid: Increase-Decrease

The Debate squad along with its coach Miss Bryant, is working hard to help make Evergreen a well-known school in the Debate League as well as in other activities.

Debate provides a wonderful opportunity for students to learn and practice the art of expressing one's self effectively. In Debate, the squad member also gains a great deal of knowledge about the debate subject through extensive research in that field so that he may be adequately prepared to defend his views and the views of his team in competition.

This year's topic, Foreign Aid, is one of vital interest to everyone and makes an excellent and extremely interesting subject.

Evergreen has good reason to be proud of its Debate squad.

BACK ROW, Left to Right: D. Champie, S. Hitchcock, J. Poor, D. Selma, S. Lear, G. Craven, N. Harmon, J. Dalton. MIDDLE: D. Martin, S. Potter, B. Russel, E. Wiseman, T. Curd, R. Taylor, B. Anderson. We're with You Team, So Fight!

Strong school spirit and loyalty are essential to a strong student body and team. Without this school spirit the athletic teams do not receive the support they should have.

The Pep Club helps to build and promote this spirit by presenting pep assemblies and aiding the Yell and Song staff. They do a great deal to support the teams at games and display good sportsmanship

The Pep Club also serves the school thru their activities. During this year they have sponsored the Annual Sno-ball Dance in January and later sold Evergreen pep rally buttons to earn money to buy an Evergreen banner for use at games and assemblies.

The officers are Julie Anderson, President; Dee Dee Johanson, Vice-President; and Secretary-Treasurer, Gaye Craven. The club advisor is Mr. Six.

Kathy Kuinders, Joan Finholt, and Bev Anderson

We've got the Pep! We've got the steam! Both pep and steam can be found in abundance as the Yell and Song staffs lead the students in rousing cheers and fight songs at assemblies and games.

The Yell and Song staffs lead organized cheering and do a great deal to instill among the students of Evergreen, a feeling of loyalty and school spirit. They have, also, with the assistance of Miss Thomson, their advisor, and the Pep Club members, staged several clever and entertaining assemblies during the past year.

The Student Body certainly owes a note of thanks to the staff, who have done so much for Evergreen this year.

We're Loyal to

Sports-Minded Girls

The Evergreen Girls' Athletic Association is primarily for the purpose of promoting good sportsmanship, creating an interest in athletics, and offering a variety of sports to those girls interested. Miss Thomson and Miss Elliott advise the group.

Those girls that have earned a letter comprise the Letter Girls' Club. This is the first year for this club and its members have been busy writing and adopting their constitution and credit system. Many girls are working hard to earn the required amount of points for a letter and membership into this club.

Sports in Season

VOLLEYBALL was the first sport offered this year. Many girls turned out and teams were formed. The games created much excitement and were enjoyed by all. BASKETBALL provided much enthusiastic competition between teams. During the season girls also had the opportunity to referee the games. TRAMPOLINE STUNTS was a new activity added to the curriculum in GAA this year. Flips and various drops were some of the stunts performed. BOWLING AND SWIMMING are extra credit sports offered once a week, bowling on Fridays and swimming on Monday. Both sports proved to be very popular.

Individual Scoring

John Leslie edged Dick Sims for individual scoring. Leslie also led the Wolverines in rushing, with 567 yards in six games. Leslie averaged one touchdown and 95 yards per game.

Although Jerry Osman didn't score in any of the games, his excellent defense made up for it. Jerry plays end on the first offense team and outside line backer on the first defensive team.

WOLVERINES-33 DEMONS-0

The Wolverines of Evergreen opened the season with their first football win in the school's history. Evergreen racked up 33 points while the Demons from Tolt, last year's Lakeside Champs, didn't score at all. The game was played in 85° weather, but it didn't effect the Evergreen team. Coach Ray Smith substituted freely throughout the contest, giving each player the opportunity to show his talent

WOLVERINES-2 PIRATES-7

This game was an exciting contest throughout, with the Pirates from Vashon Island drawing first blood early in the first quarter. The Wolverines were plagued throughout the game by fumbles and penalties. Vince Dapas and Don McKay tackled the Pirate quarterback in his end zone for a safety worth two points. Evergreen ran off more yardage and more first downs than the Pirates, but fumbles and penalties were the deciding factor in the game. The Wolverines fumbled the ball away seven times during the game. Jerry Osman played his best defensive game of the season here

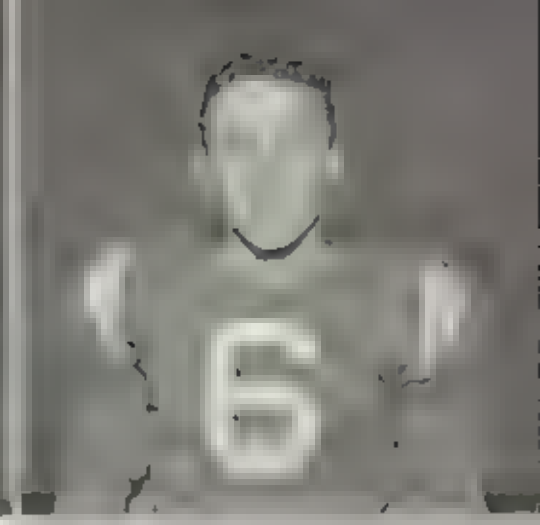

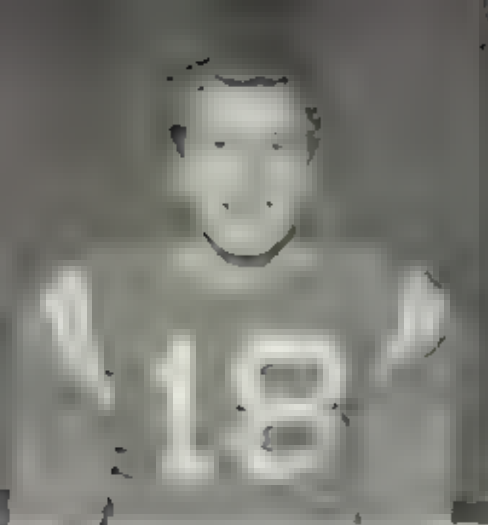

WOLVERINES-7 LIONS-31

Morale-wise this game marked a low in the season for the Wolverines. Lakeside dominated through most of the game until fourth quarter when Evergreen scored

Gary Welch

Clint McKay

WOLVERINES-41 EVERETT B'S-0

After losing the two previous games, the Wolverines made a come back with the first homefield win in Evergreen's short history. John Leslie and John Gambill were two offensive standouts with Gambill making long end runs and Leslie supplying the broken field thrills. Vince Dapas scored a safety and Dick Simms galloped for two touchdowns against the "B's." George Pittenger made a fine catch and ran one 66 yard touchdown play.

WOLVERINES-40 TAHOMA-6

This was the game that put Evergreen ahead in the win-loss column and also the last league game. The team finished 2nd in the Lakeside Conference with a record of 3-1-0. The outcome of the game was never in doubt after the first quarter. Tahoma's lone touchdown came in the 3rd quarter on a 45 yard touchdown run.

Tommy Taylor
Vince Dapas
John Leslie

WOLVERINES-41 NEAH BAY-6

The outcome of this game, also, was never in doubt after the first quarter. The Wolverines scored one touchdown in the first quarter but broke the visitors' back with three touchdowns in the second quarter. The visitors from the Peninsula scored their touchdown in the third quarter, but time ran out on them when they threatened again in the fourth quarter.

WOLVERINES-32 SULTAN-6

This game closed the season for Evergreen. It was played at Sultan. George Pittenger made an outstanding catch and Mike Knapp played his best game of the year.

Mr. Smith played four years of college football before graduating from Central Washington College in 1950. He won the inspirational award in his senior year and also coached the allstate team in 1952. Mr. Smith came to Evergreen from Highline. Previous to his two years at Highline, he coached an undefeated team at Foster in 1952.

Mr. Brigham graduated from the University of Washington in 1952. While there he was a member of the track team and held the Pole vault record for four years.

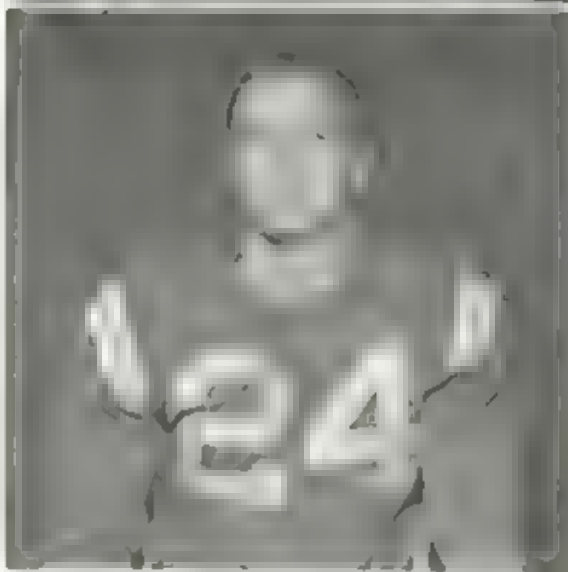

Mr. Ward graduated from Whitworth College in 1955. Before graduating he completed four years of football and track. Besides coaching football, Mr. Ward is the weightlifting instructor here at Evergreen.

Gridiron Leaders

M. Knapp, Captain, plays defensive 1st end

G. Pittenger, Captain, plays 1st team offense, defense

D. McKay, Inspirational Award Winner, plays defensive 1st line backer

At the close of the season, Evergreen said goodbye to the Lakeside conference and its teams. Up to now, Evergreen has lacked a senior class. Next year, however, the Wolverines will represent a full three year high school, thereby making them eligible for competition and standing in the powerful Puget Sound League.

The Wolverines gained a great portion of the much needed experience for Puget Sound League competition by competing against Lakeside League teams. This experience was necessary if we of Evergreen expect to have a successful season next year.

Competition against powerful and experienced senior high teams came early for the Wolverines. We started as a member of the Lakeside League while our highest class was sophomores. Needless to say, score-wise, the results of our first year were drastic. Winning none and losing all, the Wolverines finished the season last in the league. Even though the season was a failure in the win-loss column, it was far from dismal in spirit.

The Wolverines finished the season with far more spirit than they started with. This is shown by the tremendous comeback in the next to the last game of the season against the Tolt Demons, league champions. The Wolverines played this team twice, losing the first by a score of forty to nothing. The second game was lost by a margin of only two points, twenty-seven to twenty-five. Comparison of scores demonstrates the obviously tremendous change in team spirit. Although greatly outweighed, the team made up for the deficit in sheer determination.

In the second, and last year of Lakeside League play, the Wolverines finished high in the pack. We lost only to the powerful Lakeside Lions. On the road to success, the Wolverines triumphed over such powerful teams as Tolt, last year's Lakeside champs, Neah Bay, a powerful visitor from the Peninsula, and Sultan.

Next year we will forge ahead into the Puget Sound League with a smashing record behind us that will inspire us to be the proudest team in the league.

Although the freshman team didn't have as successful a season as the senior high, they did well against their opponents. Winning two and losing three, the Wolverines finished the season in the middle of the road. They also won the respect of the student body through their strong efforts and spirit.

Mr. Dahl graduated from Washington State College in 1949. While there he participated on both the Varsity Basketball and Varsity Baseball teams. After graduating, he coached at Colville and then Kent Meridian. In 1955 he came to Evergreen. In the three years he has been here, Mr. Dahl has produced teams that have improved tremendously each year

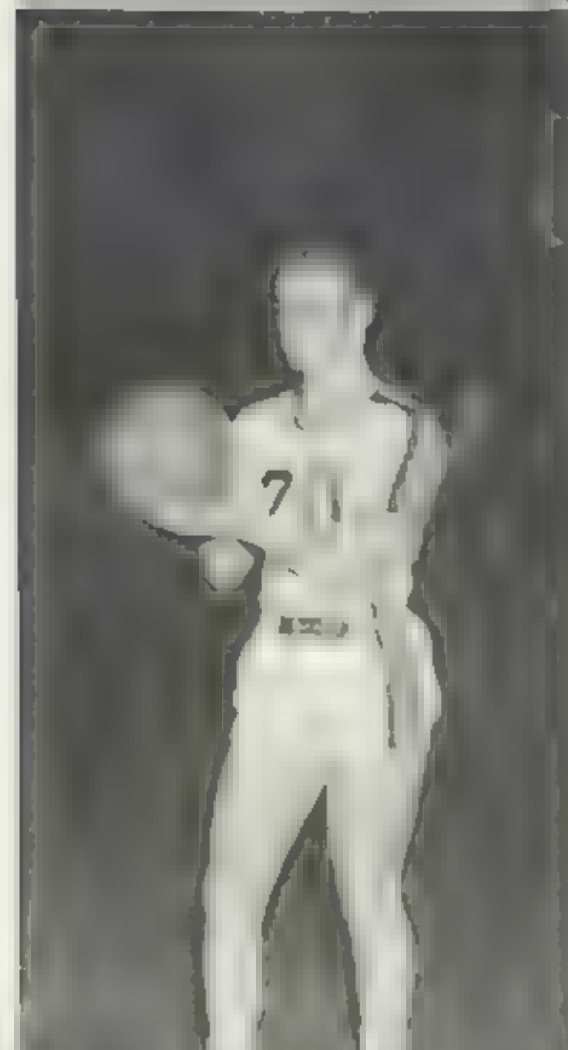

Wolverines Win League Championship

Jerry Osman—Captain

Jerry was elected captain by his team mates because of his leadership qualities, his outstanding ability, and his fine personality

John Leslie—Inspirational Award

John's spirit and eagerness earned him the respect of his fellow players. The team chose him as the man most deserving of this year's Inspirational Award

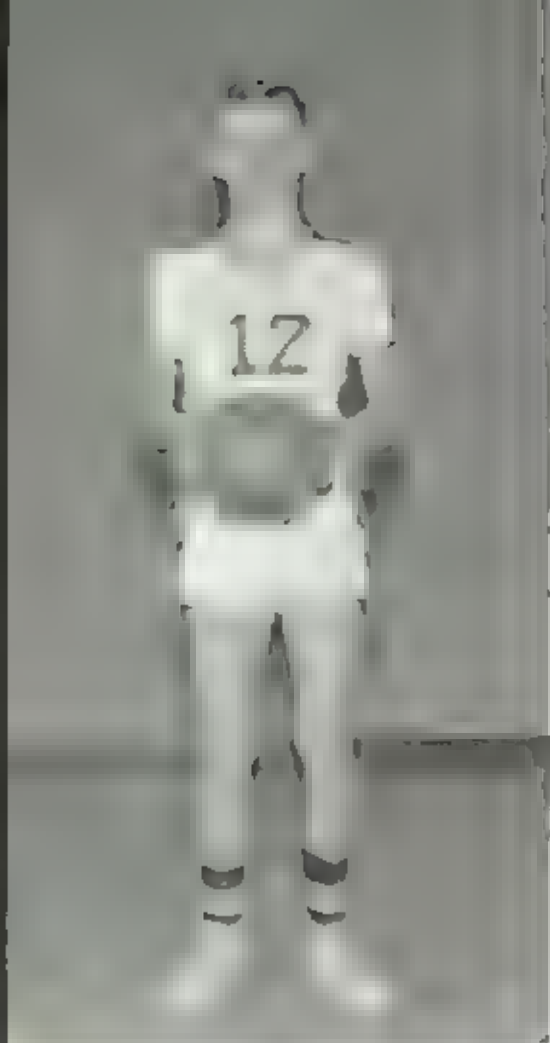

Hard, Fast

Evergreen 50

Tahoma 31

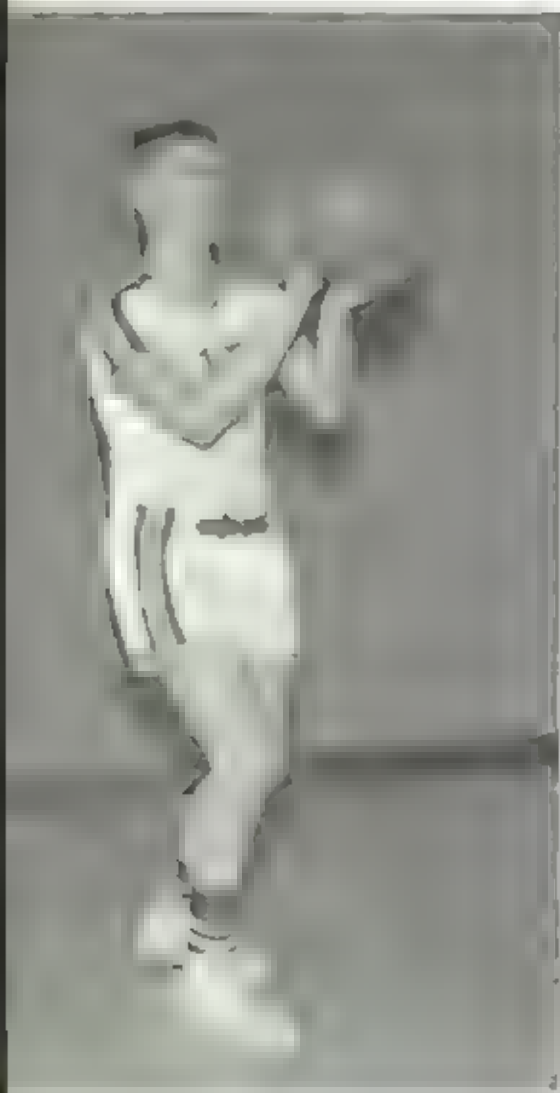

John Gambill led the scoring attack with 26 points. Evergreen led at halftime with a 13 point margin, 25 to 12. The Wolverines pulled away during the second half leaving Tahoma far behind and finishing with a 19 point lead.

The Wolverines came a long way in one year for such an inexperienced team. Last season Evergreen finished last in the Lakeside League and very few of our opponents expected anything better this season.

With the help of an outstanding sophomore, John Gambill, and a much more experienced and improved team, Evergreen returned for its final year in the League and copped the championship. John Gambill was the team leader in rebounding, freethrows, and total points. John LeCompte was elected the most improved player on the team this year.

Evergreen lost to Sumner in a non-league tilt at Clover Park. The game was not played in regulation time as it was a Jamboree. The Wolverines also had a chance to go to the state AA tournament but lost a play-off game to Puyallup.

Evergreen finished the season with a league record of 7 wins to 1 defeat and a season record of 11 wins against 10 defeats. A tremendous amount of experience was gained by the Wolverines in the last two seasons in the Lakeside League. This experience will prove invaluable in Puget Sound League Competition next year.

TOP ROW: Coach, Mr. Dickenson, Mike Robinson, Paul McTaggart, George Hooten, Ron Meyer, Jack Sather, Gordon Parls, Manager. BOTTOM ROW: Dick Worth, Larry Slinker, Walt May, Bob Murphy, Bob White, Jerry Purdy

Evergreen's "B" squad is composed of sophomores and juniors. This year's squad played a season almost comparable to the "A" squad winning 10 and losing 9. The clubs held Everett scoreless during the first half 17-0 and went on to win 26-17. The "B" squad also lost a thriller to O'Dea in the last three seconds, 44-42.

Evergreen's freshman team had a season record of 3 wins and 8 defeats. Although they lost 8 games, the freshmen made up for it in their fighting spirit and endless effort. The fresh wins were over Federal Way, 37-22, and twice over Lickless Olympia, 24-23 and 28-24. They also lost a close game to Puget Sound, 38-40.

Wrestlers Weight Lifters

Among the many organizations or clubs formed this year are the tumblers, coached by Mr. Dorr, the weight lifters and wrestlers, coached by Mr. Ward and Mr. Brigham. Although the activities of these clubs have been limited to intramurals this year, we hope to compete with other schools next year and in the coming years.
